"He said to them. "Go into the whole world and proclaim the gospel to every creature" Mark 16:15

In this world, where our time is constantly in demand, we may not take enough time to learn our Catholic Faith as much as we should. This secular world is in constant conflict with our faith and we sometimes are not always sure what we should do. Though our souls are fed during mass, as we go through our daily routines during the week, we may find it is not enough. Since most people cannot attend daily mass this is a great way to be in our faith daily.

Catholic radio is a wonderful resource filled with apologetics, prayer time, question and answer programs and resources to help us through this difficult journey and more. It gives us a catholic perspective to help us to be faithful to the teachings of Jesus Christ.

Programs such as:

- ***The Doctor is In* 1PM-2PM** dealing with family situations from a catholic perspective
- ***Quiet Waters Holy Hour* 3PM-4PM** – A wonderful time to listen to prayer and be quiet with the Lord. Go for a walk with your head phones on, sit quietly when the children are at play or listen and pray with a person in need etc.
- ***Catholic Answers Live* 6PM-8PM** – A program where anyone can call in with any question about our faith or scripture and be answered from a catholic perspective - A great learning program – They also recommend resources for issues that we all struggle with so we can learn more.

And so much more – Their web site is WWW.WQOM.ORG to learn more.

Our rich faith tells us that the more we spend in prayer and learning about our faith the more we will realize how blessed we are, how to truly live our faith and deepen our understanding of what God truly wants to give us – His Love.

Consider turning your car radio to 1060 am (don't forget to pre-set it) once you have heard it you will want to hear more. Listen on the way to work, on the way home, in the quiet of your home or on a walk in his beautiful creations.

Also please consider EWTN channel 56 – Comcast cable – Wonderful catholic station

Remember our faith is a life long journey filled with the love of our Lord but it is up to us to live it to the fullest every day. Peace of Christ
